Eligibility Requirements

Teams requesting Shawnee Mission School District (SMSD) practice space must guarantee that 75% of their players reside within the SMSD boundaries. Additional paperwork required – **SMSD Practice Request Form, SMSD Practice Payment Form, and SMSD Roster**. As verification of residency within the school district boundaries to utilize gym space, player names and addresses will be provided to SMSD and the Shawnee Mission Basketball Council (SMBC) Commissioner upon request. Any team found to not be in compliance with the mandatory roster requirement (75% of players residing within the Shawnee Mission School District boundaries) will be immediately removed from the SMSD practice schedule and may subsequently force JCPRD to lose all SMSD practice space. The information provided on the SMSD Roster will be stored in a secure JCPRD location and will only be shared with SMSD and SMBC.

Reservation Procedures

1. Submit the Team Registration form by the final deadline.
 2. Submit the Practice Request Form by the final deadline.
 3. Submit complete payment for your team by the final deadline.
- Teams MUST submit SMSD Roster with the practice request.**

Levels

Suggested Usage

- Level 1: 6th-8th Grade Teams
- Level 2: 4th & 5th Grade Teams
- Level 3: 1st-3rd Grade Teams

A gym's level designates which groups have first priority in those facilities. For example, Belinder is a Level 1 gym which designates it for 6th-8th Grade teams first. This does not exclude 5th and below from practicing in this facility, but all 6th-8th will be given 1st priority. This is based primarily on the size of the facility and the requirements of those age groups. Teams requiring 8' or 9' goals will be given priority in gyms with adjustable goals.

Notes & Suggestions:

There will be weeks that we do NOT have access to the gym that you wish to reserve. Please be aware and try to give yourself a cross-section of possible venues that you would like to use for practices.

Cancellations and re-scheduling may occur due to circumstances beyond the control of JCPRD. We will do whatever possible to get you a facility comparable in type, location, and time, if at all possible.
