

# Johnson County Park and Recreation District SMSD Practice Roster

Year \_\_\_\_\_ Season \_\_\_\_\_ Sport \_\_\_\_\_ Age/Grade \_\_\_\_\_ Team Name \_\_\_\_\_

Teams requesting Shawnee Mission School District (SMSD) practice space must have 75% of their players reside within the SMSD boundaries. Additional paperwork required – SMSD Practice Request Form and SMSD Practice Payment Form. As verification of residency within the school district boundaries to utilize gym space, player names and addresses will be provided to SMSD and the Shawnee Mission Basketball Council (SMBC) Commissioner upon request. Any team found to not be in compliance with the mandatory roster requirement (75% of players residing within the Shawnee Mission School District boundaries) will be immediately removed from the SMSD practice schedule and may subsequently force JCPRD to lose all SMSD practice space. The information provided below will be stored in a secure JCPRD location and will only be shared with SMSD and SMBC. Thank you.
